

Central Oregon

VISITORS ASSOCIATION

Dear Team Captains:

Welcome to the eighth annual running of The Cascade Lakes Relay! On behalf of the 500+ business members of the Central Oregon Visitors Association (COVA) it is a privilege to extend a very heartfelt invitation to participants of the Cascade Lakes Relay to stay, play and explore our beautiful state and region.

Central Oregon is home to more outdoor recreation options than we can list in a single message, which is why we are delighted to find that our first-time visitors return again and again. To rejuvenate after all the activity, we invite you to stay in our host communities of Bend/Sunriver to enjoy world-class accommodations, restaurants and craft brews.

Summer is a very popular season for travel, so the most important item to finalize for the event is your accommodations. There are a variety of lodging options along your route. These rooms sell-out quickly, so please make your reservations by visiting CLR's Travel Page or compare all area lodging rates and availability and book your reservation directly at www.VisitCentralOregon.com. COVA's booking services are easy and free.

If you are a returning visitor welcome back, if you are a first time, visitor, you will be in awe of the vast array of activities Central Oregon has to offer. Provided for your convenience are links to online resource guides for Oregon and Central Oregon. Please contact us directly to give you one-on-one trip planning assistance at 800-800-8334.
